

# Experience #ACTION at Nor-Shipping 2022

Nor-Shipping is where the maritime and ocean industries meet every two years – a natural hub for key decision makers from across the world to connect, collaborate and do deals to unlock new business opportunity.

The 21,000 square metre exhibition is the beating heart of the week's activity with almost 1 000 exhibiting companies and 20 National Pavilions. This is where cutting edge Norwegian and international companies showcase the innovations that deliver competitive advantage for their customers – driving new efficiencies, improving processes and enhancing performance.

In all nearly 50,000 delegates, from around 85 nations, attend Nor-Shipping's exhibition, conferences, seminars, executive meetings and unbeatable social events. All are united by a desire to plot a successful and sustainable business future.

The main theme for Nor-Shipping 2022 is **#ACTION**. We want to look at the people, concepts, and businesses that are making a positive impact now.

**Make sure you're part of the #ACTION.**
